Mayhem Coach Scannapieco (nee Githens; St. Joseph's University '13, Merion Mercy Academy '09) has served as a Mayhem coach for three years, across all age divisions, but this year has been like no other!

Coach Scannapieco's U12 Bears have taken their season by storm; throughout December and January, the Bears captured gold at all three of their U12 tournaments. Hungry for more, the Bears entered their first U14 tournament this past weekend

at USTC and – undaunted -- took down bigger and more experienced opponents, adding another gold medal to their collection.

“Through Coach Meg's fun but disciplined coaching style, the Bears have learned to play like a team and take their individual skill and game sense to the next level,” said Alex McMahan, owner of the Main Line Field Hockey Club.

In addition to coaching the U12 Bears and the U14 Mayhem Orange team, Coach Scannapieco works full-time as a relation manager at a private equity firm.

“She is an invaluable member of the Mayhem staff and always finds a way to bring out the best in her athletes,” added McMahan.
